ASCENSION DAY

There is a holiday in France to-day being the day of Ascension in accordance with Christian belief system. Real Ascension, however, is abandoning "I" (Chitta-vritti) to be available to Intelligence (Chaitanya).

Let us pay respect to Holy Yogi Jesus Christ to-day through John-8 (3 to 11)

"The teachers of the law and the Pharisees brought in a woman caught in adultery. They made her stand before the group and said to Jesus: **Teacher, this woman was caught in the act of adultery. In the Law Moses commanded us to stone such women. Now what to do you say?** They were using this question as a trap ... he straightened up and said to them: **If any one of you is without sin, let him be the first to throw a stone at her...** At this, those who heard began to go away one at a time, the older ones first, until only Jesus was left, with the woman still standing there. Jesus straightened up and asked her: **Woman, where are they? Has no one condemned you? No one, sir, she said. Then neither do I condemn you,** Jesus declared. **Go now and leave your life of sin!"**

Yogi Jesus (Awakened Intelligence) says:

Look at the inner self. Do not remain excited in conforming and becoming; imitating borrowed knowledge from outside---even if it is from the so-called sacred scripture! He further says: Intelligence does not judge or condemn. It induces others, however fallen, to wake up to the activity of the separative psyche 'I' which is *the sin*. Then *sin* is naturally abandoned for the advent of the *Sacred*.
