Good Friday Perceptions

- 1) Life is Belonging, mind is longing.
- 2) Truth is Expansive, thinking is shrinking.
- 3) Love is Inclusive, lust is exclusive; but love and lust are not opposites in Omnipresence of Existence.
- 4) Compassion is for All. Passion is for the particular.
- 5) Comprehension is Compassionate. Conceptualisation is conflict.
- 6) Being is Life, Love. Becoming is separative psyche.
- 7) Life is Timeless Spring. Mind is suffering in time.
- 8) Freedom from time is Enlightenment. Fragmentation of mind is entanglement.
- 9) 'What is' is Life. 'What should be' is mind.
- 10) Religion is Energy-Wisdom. Religiosity is Ego-Wickedness.
- 11) Christ is Flower and Intensity. Christians are followers and imitations.
- 12) Christ is Sweet Fragrance. Christians are separatist fragmentations.

Jai Life, Jai Love, Jai Christ.
