Nasik (India) 26/01/2017 (Republic Day of India)

A Spontaneous Perception in respect of Holy Islam

Perhaps Prophet wanted Islam to be 'Is'-ness to lambast 'T'-ness – which is the root cause of all maladies in human affairs except in the technical field.

But, unfortunately, Islam has become notorious activities of 'T'-ness slamming the door to 'Is'-ness.

'Is'-ness is Life; 'T'-ness is mind, which is an enemy of Life, except in technical field.

Jai Islam
