A short profound dialogue.

Questioner: Can the mind with all its mess, take one great leap into freedom?

J. Krishnamurti : Yes, by an **insight** into all this mess in which **mind** remains amused.

Questioner: Instantaneously?

J. Krishnamurti: Yes, anybody who is attentive, inquiring, exploring this terrible confusion of mind.

Questioner: At any age?

J. Krishnamurti: No, of course not. A baby, a child can't do it!
