Verse no. 24 of Chapter 4 of Srimad Bhagawat Gita.

*Brahmaarpanam brahma havi brahmaagnau brahmanaa hutam
Brahmaiva tena gantavyam brahmakarmasamaadhinaa*

Sri J. Krishnamurti's talks delivered during the period of sixty years, is summarized in Sri Krishna Divine's one beautiful verse-melody par excellent, quoted above.

Advent of Divinity (Brahmaa).

Brahmaa is the worship of Brahmaa by Brahmaa into the fire of Brahmaa. Brahmaa is attained by him, who sees Brahmaa in every action. Division-free Awareness, Krishna Divine, is ALL.

In the person where mind does not interfere, action is not separated from the actor or the act, and is in complete harmony with the Universal Energy of comprehension and compassion.
